RE: Countervailing duty scope determination on multilayered wood flooring from the People's Republic of China (C-570-971)

Notice of the lifting of suspension occurred on the message date of these instructions. See paragraph 5 below.

1. Commerce received a scope ruling request from Shenzhenshi Huanwei Woods Co., Ltd. ("Huanwei"). Commerce issued a final scope determination on 05/13/2014 that Huanwei's two-layer solid wood flooring which Huanwei exports is not within the scope of the countervailing duty order on multilayered wood flooring from the People's Republic of China (PRC) (C-570-971).
2. Commerce determined that Huanwei's two-layer solid wood flooring is outside the scope of the order because Huanwei's product is composed of only two-layers—a top layer of veneer and a base layer, whereas the scope language requires the merchandise to be composed of at least two layers, or plies, of wood veneer in combination with a core. Therefore, Huanwei's two-layer solid wood flooring is not within the scope of the countervailing duty order on multilayered wood flooring from the PRC.
3. For all entries of Huanwei's two-layer solid wood flooring that remain unliquidated on or after 04/06/2011, CBP shall terminate suspension and liquidate entries of Huanwei's two-layer solid wood flooring described above which were entered, or withdrawn from warehouse, for consumption.
4. Refund any cash deposits and release any bonds relating to Huanwei's two-layer solid wood flooring described above.
5. These instructions constitute notice of the lifting of suspension of liquidation of entries of Huanwei's two-layer solid wood flooring entered, or withdrawn from warehouse, for consumption on or after 04/06/2011.
6. The assessment of countervailing duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778

requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated countervailing duties. The interest provisions are not applicable to cash or bonds posted as estimated countervailing duties before the date of publication of the countervailing duty order. Interest shall be calculated from the date payment of estimated countervailing duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

7. Unless instructed otherwise, for all other shipments of multilayered wood flooring from the PRC not covered by paragraph 2 above, you shall continue to collect cash deposits of estimated countervailing duties for the merchandise at the current rates.
